Declaration:

- We confirm that we will abide by ZIA's Articles of Association, Code of Conduct and Values (Appendix 1 & 2).
- We understand that the annual membership fee is payable in one installment immediately upon receipt of invoice, and that membership is automatically renewable each year unless terminated by written notice received by the Secretariat no later than 31 September in any given year.

Signed on behalf of the member:

Name of Signatory	Date

¹ A Producer or Consumer with zircon production/consumption of less than 10,000 tpa can opt for Associate membership

Appendix 1

Articles of Association and Code of Conduct

The Articles of Association, embedded below, include the Code of Conduct & Antitrust Statement

Zircon Industry
Association Limited - /

Appendix 2

Membership Values

The Zircon Industry Association has a set of Membership values that serve to embed and continuously promote best practice throughout the industry. These values, approved by the ZIA board, will ensure ZIA members, the association, and the zircon industry as a whole all evolve sustainably, responsibly and with integrity.

All members agree to abide by the following values: -

SUSTAINABLE BY GOING ABOVE AND BEYOND TO PROTECT:

- People: sharing best practices on matters of workplace safety and fair labor
- The Environment: operating, managing waste, and remediating mindfully now and for the future
- Communities: respecting and actively supporting indigenous and local communities

OPERATE WITH INTEGRITY BY:

- Committing to comply with national and international laws where we conduct business, and anti-corruption legislation
- Enforcing policies that ensure conformance to antitrust and competition laws
- Ensuring we employ non-discriminatory practices and equal opportunities in everything we do

PROMOTE A POSITIVE IMAGE OF THE INDUSTRY THROUGH:

- Collaboratively engaging with key stakeholders across the globe
- Supporting suppliers to work to the same exacting Values
- Knowledge sharing to ensure the safe production and use of zircon and zirconia products
- Expanding markets in applications that enhance quality of life in a sustainable manner
